

## OSU Summer Music Camp (July 7-12, 2019) Camp Information and Guidelines

### The Program

The Oklahoma State University Summer Music Camp runs from July 7-12, 2019.

Participation in the program is open to students entering 9<sup>th</sup> grade through seniors who will graduate in 2019. Younger students are welcome to attend, with the understanding that the majority of participating students are in high school.

### Tuition

- **Residential Campers**
  - Tuition includes dorm and linens, breakfast/lunch/dinner (except Marble Slab Creamery on Tuesday night & Eskimo Joe's dinner on Thursday night), recreational activities, and musical instruction. Private lessons are an additional \$15 with your registration.
- **Commuter Campers**
  - Tuition includes, breakfast/lunch/dinner (except Marble Slab Creamery on Tuesday night & Eskimo Joe's dinner on Thursday night), recreational activities, and musical instruction. Private lessons are an additional \$15 with your registration.

This year, recreational activities include a pool party at the Award-Winning Colvin Recreation Center, dinner at Hideaway Pizza, dinner and shopping at Eskimo Joe's, and more to be announced in the coming months!

### The Camp

There are three facets of the program: band, orchestra, and piano

- **Band students** will audition for placement within the concert band. Their days are filled with a mixture of band rehearsals, masterclasses with OSU and leading faculty in their primary instrument, private lessons, electives, and recreational activities.
- **Orchestra students** will audition for placement within the string orchestra. Their days are filled with a mixture of orchestra rehearsals, masterclasses with OSU and leading faculty in their primary instrument, private lessons, electives, and recreational activities.
- **Piano students** will audition for placement in piano duos and chamber music. Their days are filled with practice time, private lessons, duo and chamber coachings, masterclasses with OSU faculty and leading faculty in piano, electives, and recreational activities. Pianists receive 2 lessons during the course of the week.

### **Piano Requirement (for students with piano as their primary instrument)**

It is expected that OSU Summer Music Camp piano students will have taken piano lessons for at least 3 years, and/or be capable, at minimum, of playing pieces at the level of the J.S. Bach 2-part Inventions, the Clementi Sonatinas, or other classical solo works of a similar difficulty level. Exceptions to these general prerequisites may be made on a case by case basis.

If you have any questions about the piano requirements, you may contact Dr. Thomas Lanners directly at [thomas.lanners@okstate.edu](mailto:thomas.lanners@okstate.edu).

### **Scholarships**

This year, the Summer Music Camp is pleased to offer both merit and need-based scholarships!

Any student that was a member of a 2019 All-State ensemble, or All-Area ensemble, will be offered a \$100 scholarship to the OSU Summer Music Camp.

**The All-State ensemble must relate to the instrument that you will study at the OSU Summer Music Camp. (ex. All-State Choir will not count for the scholarship because you are not attending SMC for choir.)**

**Additionally, a “superior” or “1” rating at local or state Solo & Ensemble does not qualify your student for the \$100 All-State Scholarship.**

For pianists, the All-State Scholarship will be awarded to applicants who have been winners in the MTNA or OMTA state piano competitions. (Senior or Junior High School winners are eligible). Students from outside the state of Oklahoma will be given consideration for the equivalent competitions in their home state. Please contact Heather Lanners ([heather.lanners@okstate.edu](mailto:heather.lanners@okstate.edu)) with any questions or concerns about the piano scholarship.

You do not need to fill out the Scholarship Application to receive this award. Simply provide either a picture of your All-State results or a copy of the program, indicating that you were a member in the 2019 ensemble. Please include this picture with your mailed application or email it to [musiccamp@okstate.edu](mailto:musiccamp@okstate.edu).

If you submit an online application and claim the All-State/All-Area scholarship, you will see that the tuition amount charged to your credit card will not change. Once documentation of All-State/All-Area status is received to [musiccamp@okstate.edu](mailto:musiccamp@okstate.edu), you will receive a \$100 refund to your card.

Need-based scholarships require submitting the Scholarship Application. Scholarship applications must be received by May 31, 2019. Awards will be announced by June 7, 2019. This application requires a teacher reference and a letter written by the applicant.

## **Electives**

Enrollment in an elective is included in registration fees for this year's camp. Electives offered are Chamber Music, Jazz Band, Voice Lessons, Intro to Piano, Music Theory, and Careers in Music Seminar. The Chamber Music elective is only open to winds, brass, percussion, and string students. That elective is contingent on enrollment and having proper instrumentation to form chamber groups. If there is not proper enrollment, your student will have the opportunity to select a different elective.

## **Meals**

All students will have breakfast in the dorm cafeteria or catered by the OSU Summer Music Camp from Monday, July 8-Friday, July 12. Students will have a \$60 "debit" card for purchasing lunch in the Student Union from Monday-Friday. Students are responsible for monitoring the balance on this account and ensuring it lasts for the entirety of the week. Students will have dinner either catered, in the dorm cafeteria, or at a local Stillwater restaurant included in their tuition. In the past, students have had dinner at Hideaway Pizza included with their tuition cost.

## **Additional Meals**

In addition to the catered and dorm meals that are included in tuition, there will be two additional instances for students to purchase food/dessert on their own. On Tuesday, July 9, students will have the opportunity to get ice cream at Marble Slab Creamery. On Thursday, July 11, students will have dinner and shopping time at Eskimo Joe's, at their own expense. There will not be another dinner option on Thursday evening, so students will need to come with money for this meal.

## **Parking**

Commuter students must purchase a parking pass for use on-campus, which is \$25. This option may be selected during the registration process. Commuter students may only use their vehicles to arrive at campus and to leave at the end of the day. They are not permitted to leave unless the camp director receives permission from a parent/guardian.

Residential students also may purchase a parking pass, which allows them to park by the dorm for the entirety of the camp. This permit is \$25. Residential students must surrender their keys to the RA's at the first dorm meeting, and they will get their keys back at the conclusion of camp.

## **Parking permit for Parents**

Since the Summer Music Camp final concert is on a Friday, parking can get complicated on campus. To ease some of the stress of parking, we are offering a one-day parking permit for the day of the final performance. This permit is \$5 and will be passed out at check in on Sunday, July 7. This permit allows you to park in any surface (non-garage) lot during the day on Friday, July 12. **This parking permit must be purchased before the first day of camp, Sunday, July 7.**

**Note:** this does not allow you to park in metered parking spots or special reserved faculty spots designated for a certain parking pass number. This does allow you to park near the dorm to retrieve your student's belongings and park near the concert hall.

**CD's of Final Concert**

In addition to live-streaming the final concert on Facebook Live via the OSU Summer Music Camp Facebook page, we are offering CD's of the final concert. These can be pre-purchased when registering for camp.
